EDITORIAL

This month's Meeting on **September 17th** is our **annual Open Meeting where family and friends are most welcome. This year's talk by Lionel Murphy is about the Exmoor Search & Rescue Team** and should be very interesting and most enjoyable so hope to see many of you there.

Apologies for the late production of this month's Newsletter but due to personal circumstances and a week's holiday in France from which we only got back this Sunday evening, the delay was unavoidable.

I did manage a 'contact' with Dave (G4XWQ) via Echolink/GB3ND using my tablet which raises the intriguing question as to what callsign to use? Should it be F/G4CHD as I am in France or just G4CHD as the only radio transmission is from GB3ND in England!!

A reminder for a date in your diary - as mentioned later in this Newsletter, the Holsworthy Radio Rally will be on October 14th.

Finally, as you can see from our Club Meetings list, we are still looking for suitable speakers at both our January and April Meetings next year. So if you would like to offer, your Committee would love to hear from you and can help if anything is needed.

REPORT ON THE AUGUST MEETING

Summer Natter Night

Again a very good attendance by members and an opportunity to catch up with everyone's latest news over a cuppa. Again a big thank you to Dave (G0PGK) for organising the refreshments. Only problem I found was that there just wasn't time enough to get around to chatting to everyone!

EXMOOR RADIO CLUB - ROTA SPECIAL EVENT STATION at the Blackcock Inn - Sat 22nd September

A special event station GB2BNM (Bishops Nympton & Molland) will be held at the Blackcock Inn on Saturday September 22nd for ROTA - Railways on the air weekend. The station will operate from the dining room which gives outside access if the weather is good.

The intention is to operate between 11am and 5pm on the Saturday and from the site on top band on Sunday morning.

Apologies once again for the delayed publication and absence of any technical matter but hopefully things will be back to normal next month.

Enjoy this month's Newsletter
