EDITORIAL

The theme for this month's Club meeting on **June 18th** is an organised **Discussion** on the changes to the Intermediate Exam and whether the present Licensing Structure should be changed. I'm sure many of us have strong feelings on this and it will be an interesting evening hearing the various members' views. The evening will also be an opportunity for the Committee to update members on the forthcoming special event station by the Club at the Bideford Fair on June 30th. May I also take this opportunity to thank everybody for completing the GDPR Agreement Form. As you will see from the changed header to this Newsletter, the Club's Privacy Statement is in the process of being implemented. Look forward to seeing many of you next Monday evening.

REPORT ON THE MAY MEETING

Spring Bring & Buy

This proved to be a very popular event with many members either coming away with a bargain or taking less gear back home at the end of the night.

Ray our Treasurer was grateful for those who took the opportunity to pay their outstanding subs and I was able to collect the Agreement Forms.

There is another Bring & Buy scheduled for the November Meeting so plenty of time to sort out any gear to sell.
