November, 2016

EDITORIAL

This month's Meeting on **November 21st** is our annual Bring & Buy Night where members get a chance to either sell any unwanted gear or buy some real bargains - so well worth coming and also enjoy a cuppa and a natter.

As in previous years, there is no charge to sell but any donations to Club funds is always much appreciated.

Please note that the **Club's Christmas Party** will be on **December 12th** in order to be not too close to Christmas.

The evening will follow the usual format - free entry, tea/coffee and nibbles, Raffle (prizes always welcome) which will include the current RSGB Yearbook, and a Xmas Quiz plus festive music - sounds perfect so hopefully see you there.

Your Committee spent much effort this year in trying to organise a Christmas Meal for members and their families/friends as something different to previous years. However, there was not a general consensus on the best time to have it, or firm numbers required to book somewhere, and hence somewhat reluctantly, it has been abandoned and instead the usual free Club Christmas Party will take place on December 12th as mentioned above.

I would like to thank the Committee on your behalf for all their efforts but perhaps this is something that could be considered next year if members would like this type of event.

Enjoy the Newsletter

Terry (G4CHD)

REPORT ON THE OCTOBER MEETING

General Natter Night

Unfortunately, the advertised talk by John (G3JKL) - *a Flex 6300 Demo* - had to be postponed due to John having Flu. However, it has subsequently been decided that John's talk will now be in January 2017 and the John's Quiz will be put back to April. So something to put already in next year's diary!

Consequently, it was decided to have a General Natter Night which also provided an opportunity for the Secretary, Alan (M6CCH) to canvas members on their thoughts on having a Christmas Meal at the Durrant Hotel for which menus were made available. The outcome is covered in this month's Newsletter Editorial section.

LOCAL SKEDS

Zepp Net: Mon, Tues, Thurs : 145.450 MHz 4pm
Wed via GB3DN - 4pm

6m Net: Wednesday, 8pm, 51.480 MHz FM
