October 2021

EDITORIAL

Welcome to another Club Newsletter.

The September Meeting was a trial return to normal Meetings and proved to be such a great success that our **October Meeting on Monday, October 18th** will follow a similar pattern.

There is therefore **no overall theme to our October Meeting** but if anyone wishes to bring any gear as a focus of discussion etc then this should help to make this another enjoyable Meeting.

Of course the same measures to limit the spread of Covid and to protect Members will be in place for the October Meeting.

There were also several new or potential Members to our Club and a warm welcome to them and hope to see them again this month.

Now that holding normal Meetings has been shown to be both feasible and desired by members then your Committee can start to plan further Meetings and their content.

It would be interesting to hear of members' views on what format the **December Meeting** should be - ie should we have a 'Party' as we used to do or should we try something totally different?

Of course with Winter approaching and the ever present Covid and now Flu threats, your Committee will remain ever vigilant and monitor the situation but hopefully normal service has been resumed!

In the mean time, lets enjoy our return to proper Meetings and hope that Zoom Meetings will become history.

Finally a reminder about our local **Radio Rally at Holsworthy on Sunday November 7th** - more details later in this Newsletter.

Terry (G4CHD)

CLUB MEETINGS

Our September Meeting was so successful that further Meetings can now be organised so watch this space!

SEPTEMBER MEETING

Regretfully I couldn't attend as I was returning from Lincolnshire after attending a family funeral but I'm told it was a great success with 21 members attending. Thank you to all members for helping to sanitise all used surfaces at the end of the Meeting and for your respect of other members' safety.

LOCAL REPEATERS

2m Stibb Cross Repeater (GB3DN)

<http://www.g0rql.co.uk/gb3dn.htm>
